

KGOTLA MEETING REPORT

Venue: Bosele Kgotla

Date: 04 February 2026

Ward: Bosele Ward

Organised by: Social and Community Development (SCD) Department

A kgotla meeting was held at Bosele Kgotla on 04 February 2026, organised by the Social and Community Development (SCD) Department for Bosele Ward. The purpose of the meeting was to discuss alternative payment methods following the end of the Smart Switch Card contract in December 2025.

Attendance

The meeting was attended by the following dignitaries and officials:

- Honourable Councillor Thusu Magate
- Honourable Councillor Poifo Ditshwene
- Honourable Thutego Zulu
- Ms Gaone Ramasedi (Social Worker)
- Komberse Monyatse
- Miss Sandy Botshake
- Mrs Mbinda
- Miss Molapong
- Miss Mbaeva
- Miss Molale

During the meeting, Ms Gaone Ramasedi, a Social Worker, informed the community that the Smart Switch Card was officially revoked in December 2025. She explained that the meeting was convened to gather new ideas and suggestions on alternative payment methods.

She further stated that payments for the next two months will be conducted using a paper-based system. Beneficiaries will be required to fill in a paper form at the Social Worker's office in Bosele, which will then be used to purchase food at any shop of their choice.

Ms Ramasedi also noted that Bosele is predominantly inhabited by Basarwa people. As a result, young people or youths will be engaged to assist with translation into Sesarwa to ensure that everyone clearly understands the process.

On another matter, Ms Ramasedi highlighted a new change in the allocation of food rations for orphans and destitute children. Previously, guardians received payments per child, which proved costly. Under the new system, food support will be allocated as a combined amount based on the total number of children, for example:

- 4 orphans = P1,000.00
- 5 orphans = P1,300.00

The vote of thanks was delivered by Honourable Councillor Thusu Magate, who stated that the community had agreed in principle that future payments should be made through mobile wallets such as Orange Money, Smega, and similar platforms, allowing beneficiaries to purchase food independently.

He further encouraged community members to use all resources and assistance provided for their intended purpose and pleaded with the community to act responsibly by ensuring that all orphaned and destitute children are properly registered with the Social Worker.
